Call for Papers

The Conference will bring together academicians, leading researchers, engineers and scientists in the domain of interest from around the country. Topic of interest for submission include, but are not limited to:

- ✓ Algorithms and Applications
- ✓ Artificial Intelligent System
- ✓ Big data Analysis
- ✓ Business Intelligence
- ✓ Cloud Computing
- ✓ Coding Theory
- ✓ Cognitive Computing
- ✓ Computer Vision
- ✓ Cybernetic Technologies
- ✓ Data and Knowledge Processing
- ✓ Data Fusion and Integration
- ✓ Data mining Techniques, Algorithms and Applications
- ✓ Digital India
- ✓ E-Learning
- ✓ Emerging Technologies
- ✓ Expert Systems
- ✓ Grid and Parallel Computing
- ✓ Heuristic Algorithms
- ✓ Image Processing
- ✓ Intelligent Information Retrieval System
- ✓ Knowledge Base System
- ✓ Mathematical Modeling
- ✓ Natural Language Processing
- ✓ Networks and Communications
- ✓ Neural Networks
- ✓ Ontologist and Semantics
- ✓ Optimization Algorithms
- ✓ Parallel Processing
- ✓ Quality of service
- ✓ Semantic Web
- ✓ Soft Computing
- ✓ Software Engineering
- ✓ Web Engineering
- ✓ and other related topics

About Conference

Fourth International Conference on Computing Paradigms (ICCP-2018) is to provide a forum that stimulates discussion on the state of art research in Computer Science and Applications. The focus is on various computing models that are evolving to enhance the impact of computing in the modern world. The conference will provide an opportunity for networking and collaboration amongst scholars from academia, industry and government. To ensure highest quality of standard, all papers submitted to ICCP-2018 will be through online and reviewed using a double blind process.

About College

Don Bosco College, Yelagiri, is a minority institution, managed by the Salesians of Don Bosco of Chennai Province. It is an Arts and Science College, affiliated to Thiruvalluvar University. Its mission is to empower the youths with qualitative knowledge, practice and experience to become integrated persons for career and life. The institute functioned under three wings: Bosco Institute of Information Technology (BIIT), the professional Education wing that prepared students to become employable and obtain degree from IGNOU; Bosco InfoTech Services (BOSCO ITS) for software development and training for the graduates who passed out of BIIT; Arivagam as a knowledge centre.
